10. Governing Law

This Agreement shall be governed by the laws of the Province of Ontario, Canada, without giving effect to: (i) the principles of conflicts of law and that body of law applicable to choice of law; (ii) the United Nations Convention on Contracts for the International Sale of Goods, and/or its implementing and/or successor legislation and/or regulations; (iii) the Uniform Commercial Code and/or its implementing and/or successor legislation and/or regulations; and/or (iv) the Uniform Computer Information Transactions Act and/or its implementing and/or successor legislation and/or regulations, as applicable respectively. The parties agree that the courts of such jurisdiction constitute a convenient forum for any litigation and both parties attend and submit to the jurisdiction of such courts. Except to the extent required by law, the parties waive trial by jury. Each party hereby agrees to comply with all applicable laws, regulations and government orders in performing its obligations under this Agreement.

11. Assignment

12. Entire Agreement

This Agreement is the entire agreement between the parties with respect to its subject matter and supersedes and replaces all prior oral or written agreements, representations, negotiations or understandings between the parties relating to such subject matter. No change or modification to this Agreement shall be valid unless it is in writing and signed by a representative of both parties. No provisions in any purchase orders, or in any other documentation employed by or on behalf of Licensee in connection with this Agreement, regardless of the date of such documentation, will affect the terms of this Agreement, even if such document is accepted by Northcode, with such provisions being deemed deleted.

13. Waiver

No party will be deemed to have waived the exercise of any right that it holds under this Agreement unless such waiver is made in writing. Failure or delay by either party to exercise any of its rights, powers or remedies hereunder shall not constitute a waiver of those rights, powers or remedies. The single or partial exercise of a right, power or remedy shall not prevent its subsequent exercise or the exercise of any other right, power or remedy.

14. Indemnity

Licensee agrees to indemnify and hold Northcode and its licensors, including their respective affiliates, subsidiaries, officers, directors, employees, agents, or representatives, harmless against any and all third party proceedings, causes of action, suits, damages, losses, liabilities, costs and expenses (including legal fees) whatsoever that may arise, either directly or indirectly, in any connection with any act or omission on the part of Licensee, or its use of the Program.

Les parties aux présentes ont exigé que cette entente et tous autres documents envisagés par les présentes soient rédigés en anglais.

16. Audit

Northcode may, at its expense, appoint an independent third party to audit the number of copies of the Program in use by Licensee. If such audit shows that Licensee has breached and/or is breaching the terms and conditions of this Agreement, including without limitation if Licensee is using a greater number of

copies of the Program than that number of licenses purchased by Licensee, Licensee shall pay any applicable fees, and, without limitation, any license fees, for such additional copies within thirty (30) days of invoice, with such underpaid fees being the license fees as per Northcode's then-current, country specific, price list. If underpaid fees are in excess of five percent (5%) of the value of the fees paid under this Agreement, then Licensee shall pay such underpaid fees and Northcode's reasonable costs of conducting the audit.

17. General

Neither party shall be responsible for delays or failure of performance resulting from acts beyond the reasonable control of such party. Should any provision or part of any provision of this Agreement be found void or unenforceable by a court of competent jurisdiction, such provision, or part thereof, shall be deemed severed, and the remainder of this Agreement shall remain in full force and effect. The parties acknowledge and agree that the limited warranty, exclusive remedies and limited liability set forth in this Agreement are fundamental elements of the basis of the bargain between Northcode and Licensee, and that Northcode would not be able to provide the Program on an economic basis without such limitations. The provisions within this Agreement which are meant, by their nature, to survive termination of this Agreement shall survive such termination, including, without limitation, the ownership, limited warranty, limitation of liability, governing law, entire agreement, waiver, indemnity, and general sections herein. In this Agreement words importing a singular number only shall include the plural and vice versa. The division of this Agreement into sections and the insertion of headings are for convenient reference only, and shall affect neither the construction nor the interpretation of this Agreement.
